

THE SOUTH CENTRAL FEDERATION OF MINERAL SOCIETIES
ARKANSAS • LOUISIANA • TEXAS

SCFMS DUES/INSURANCE DEADLINE SEPTEMBER 30th

QUICKPAY, A DIGITAL DUES AND INSURANCE PAYMENT OPTION

Member Clubs are able (but not required) to use QuickPay to make Dues and Insurance payments to The South Central Federation of Mineral Societies. You can initiate digital payment to The South Central Federation of Mineral Societies using your own online or mobile banking application, or by visiting clearXchange.com. To send your dues/insurance payment without cash or check, use 225 620 5174 or the email address: kimberlyarts@hotmail.com. As long as at least one party has a Chase checking account (which SCFMS has!) you will be able to send your dues and insurance payment for free. We will not see or have access to your club's sensitive account information. I do not conduct personal banking at Chase Bank.

THE PROCESS

- 1. FILL OUT AND EMAIL FILLED DUES/INSURANCE FORM.** Use the fillable "Dues/Insurance Form" which will be emailed to Club Presidents and Treasurers, or find the form here: http://www.scfms.net/forms_members.htm. Provide club member counts as of Sept. 1 to determine the total amount due. (Adults @ \$5.00 each, youth @ \$3.40 each.) If payment is made beyond the September 30 deadline, add a 10% late fee to your total. Save and email filled form to kimberlyarts@hotmail.com.
- 2. REGISTER.** Visit clearXchange.com and register through a participating bank, or register directly through the clearXchange network. You may then use *your* bank's app or *online banking* to send payment from your bank to the South Central Federation of Mineral Society account. The following banks are within the network: Bank of America, CapitalOne, Chase, 1st Bank, Frost, USbank, and Wells Fargo. You can still send payment even if your bank is not listed; visit clearXchange.com, register, and select 'my bank is not listed.'
- 3. PAYMENT.** Enter the total amount due as it appears on your filled Dues/Insurance form.
- 4. FIND SOUTH CENTRAL FEDERATION OF MINERAL SOCIETIES.** Choose kimberlyarts@hotmail.com or 225 620 5174. These are connected to (and will deposit to) The South Central Federation of Mineral Societies bank account.

5. SUBMIT PAYMENT.

WHAT HAPPENS NEXT?

The email address/phone number you used will generate an alert to me that payment has been made to the South Central Federation of Mineral Societies. I then have ten days to accept the payment and funds will deposit into the Federation account at Chase Bank where I, our SCFMS President, and our SCFMS Treasurer will be able to see and confirm the deposit. You will receive a printable notification when payment is accepted.

*QUESTIONS? PROBLEMS?

Kimberly J. Brannon, 225 620 5174, or email kimberlyarts@hotmail.com

Member of the American Federation of Mineralogical Societies
